

Resourcing the National Security Enterprise provides a much-needed, theoretically grounded, and practical guide. Each chapter in this volume is by a practitioner with decades of experience.

This book will be a valuable resource for aspiring practitioners who are beginning or seeking careers in the American federal government and to those who wish to learn more about the inner workings of resourcing the national security enterprise.

Rapid Communications in Conflict and Security Series (General Editor: Dr. Geoffrey R.H. Burn)

ABOUT THE EDITORS

SUSAN BRYANT (PhD, Georgetown University) is the Executive Director of Strategic Education International. She is also an adjunct professor at Georgetown University, a visiting lecturer at Johns Hopkins and a visiting research fellow at National Defense University. Dr. Bryant is a retired army colonel and coauthor of *Military Strategy in the 21st Century*.

MARK TROUTMAN (PhD, George Mason University) is Chief Operating Officer of Strategic Education International and teaches business and national security economics at Georgetown University, Johns Hopkins University, University of Maryland, and George Mason University. Dr. Troutman is the former Director of the Center for Infrastructure Protection (George Mason) and former Dean of the Eisenhower School (National Defense University). His military career included domestic and worldwide assignments.
